Airs BURGER CAFE&DELIVERY | Eat In or Take Out

All burgers in the Airs Burger Cafe have been made by a chef specially trained in Mexican cuisine in Mexico for 7 years. Each delicious layer has undergone vigorous taste-testing with zero preservatives or additives, and completed with fresh-baked buns. Ingredients have all been hand-selected to deliver the highest quality and taste, the burger patty itself being made with 100% Australian short grain-fed beef and Japanese black cows.

Our burgers are made to order for guaranteed freshness. They may look rough and wild on the outside, but the taste speaks for itself.

Cheese Burger

[1375]

We mix mild gouda and wild cheddar cheese to create a harmonious paradox of flavor for you to enjoy.
